Subject: Indiana Incident Management Program: Position Qualification System (AHIMT – Type 3) and Position Task Books Draft Release for Public Comment

Purpose

The purpose of this Information Bulletin is to announce the release and disseminate the Draft guidance of the Indiana Incident Management Program: Position Qualification System (AHIMT – Type 3) and the associated Position Task Books for public review and comment.

General

The Position Qualification System will support the Indiana Incident Management Program and the credentialing of All Hazard Incident Management Teams (Type 3) in accordance with the Indiana District Response Task Force Initiative. IDHS is making the guidance document which governs the credentialing process and the Position Task Books available for public comment for a period of 30 days. Public input will be used for updating the draft document before implementation and institutionalization.

The guidance document is attached to this email and can also be downloaded along with the eight Position Task Books from www.in.gov/dhs/districtprograms.htm

Public Comment

Stakeholders may review the document and provide feedback and input for consideration by emailing fieldservices@dhs.in.gov by April 15th.
